### [LEARNING WATER CYCLE](#)

Learning about the WATER CYCLE Background Information Water moves in a never-ending natural cycle. That means that the water you are using today may have been a drink for some dinosaur millions of years ago! The forms of water are always changing. They move from the sky to earth and back to the sky again. This is called the Water Cycle. Water falls to earth as rain or snow. Some of the water soaks into...

### [FREQUENTLY ASKED QUESTIONS ABOUT THE GRAND JURY SYSTEM](#)

What is the purpose of the grand jury The primary function of the modern grand jury is to review the evidence presented by the prosecutor and determine whether there is probable cause to return an indictment The original purpose of the grand jury was to act as a buffer between the king and his prosecutors and the citizens Critics argue that this safeguarding role has been erased and the grand jury simply...
